

PowerPack T-Series

Portable Rechargeable Batteries for Smartphones & Tablets

LIVE MOBILE: STAY CHARGED

Sleek, slender, and packing a power punch – the PowerPack T-Series rechargeable batteries extend the life of your smartphone or tablet. The included micro-USB cable plugs in to the micro-USB port on your devices, keeping them charged, and also lets you easily recharge your PowerPack. iPhone users have the benefit of using their existing Apple charging cable for connection to the PowerPack.

The T-Series also features LED indicators, which use LED lights to display the PowerPack’s battery level status, telling you when it’s time to recharge. It comes equipped with 1 to 2 universal USB ports, depending on the model, enabling you to charge multiple devices at once. With max charging speeds ranging from 1 to 2.4 Amp, depending on the model, you can charge virtually any smartphone or tablet at lightning fast speeds. The ultra-high battery capacities provide up to 6 smartphone charges, and up to 2 tablet charges*! Stay charged and stay in touch.
